B. Goals & Objectives	
C. Project Type <i>(Done in a Day; Provisional; Regular, Other)</i>	
D. Target Population(s)	

II. How This Project Connects to The JLEP Focus Areas of Physical and Mental Health

JLEP seeks project proposals within our focus areas of physical and mental health. Please describe how this proposed project would help our local community within these focus areas.

III. Proposed Project Activities

JLEP projects are active ones. Please describe what activities this project would consist of.

IV. Volunteer Needs

Every project that JLEP supports must have a volunteer component where JLEP members can be actively involved in the project. Please describe how you would work with and utilize JLEP volunteers.

V. Success Criteria and Measurable Outcomes

JLEP seeks to measure the impact of supported projects. Please describe what success criteria and measurable outcomes would be tracked as part of this project.

VI. Tentative Timeline

JLEP is seeking project proposals that would begin Summer 2023 and last for at least a year. An alternative, short-term project would begin February 2023 and last for a month. Please describe your expected timeline for this project and its related activities.

VII. Proposed Budget Needs

Please describe how much money is necessary for this project to succeed and what funds would be used towards.

VIII. Long Term Plans for Sustaining the Project

JLEP seeks to support projects that will ultimately be run by the community in the long term. Please state how you plan to sustain this project after JLEP volunteers and financial support end.
